

FCPS Gmail

Communicate with teachers using using your FCPS Gmail account.

What do you need?

Computer	
Internet Connection	
Google Chrome	

How do I access my FCPS Gmail account?

1 Open a Google Chrome window.

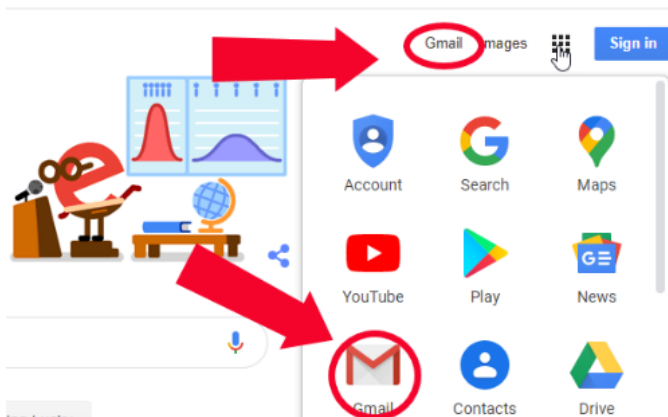

2 Go to the Google home page.

a) Type <https://www.google.com> into the address bar.

3 Click either the "Gmail" button or icon.

4 Enter your FCPS email address and password

a) Your email address is your student ID number, followed by @fcpschools.net

- Example: 123456789@fcpschools.net

5 Enter your password and click Next.

Your FCPS Gmail password is the same as your FCPS Network password.

a. Contact your teacher if you forgot your password.

6 Congratulations!

You can communicate using your FCPS Gmail account.
